Dear Mr. Valencia:

I received your letter dated August 30, 2012 along with the
1st week trial transcript certified as transcribed on 7/8/2011,
almost a year ago.

I have not received your motion removing yourself as my attorney.
You have made it perfectly clear that you do not believe that I have
had my rights violated. Your expressions that I am wasting your
time and how "valuable" your time is tells me that your just too
expensive for someone like me.

I have a right to proper counsel during trial, sentencing, appeal,
and you are not the person. I am demanding that you file a motion to
withdraw as my attorney and forward a copy of that motion to me.

Please have enough respect to respond to my demand.

Respectfully,

Connie S. Farris
